"Tracey who leads IRS HR is a focused and dedicated HR professional with a high level of knowledge of employment law and good HR practice that she applies with a pragmatic approach. I know Tracey from the time she was Head of HR for one of our airlines, so I didn't hesitate to contact her when I needed assistance to support our witnesses and legal team through a very complex tribunal case. Tracey lived up to her reputation and I have no hesitation in recommending her and her team at IRS HR and IRS Payroll Services to help your business with your HR or payroll requirements."
